ETSOS has developed a range of products that have been designed to help you comply with the ever increasing burden of regulation following the repeal of the PMAs. All our products can be ordered and tracked online making compliance simple and hassle free. The compliance range includes:

- Pre-sale electronic questionnaire designed to ask the questions of the homeowner that would affect the 'average purchaser'
- Property hazard checker to identify possible environmental hazards that affect the area the property is in and may require further investigation from the buyer
- Title Plan and Register of Title, where the property is registered, to confirm the extent of the boundary, ownership, tenure and restrictive covenants

We are pleased to offer a month's free trial to Relocation Agent Network members. For more information please contact **Richard Megson** on rmegson@etsos.co.uk **01524 220013 / 07866428294** or visit <http://etsos.co.uk/compliance-in-a-box-ran/>
